

Azumah Resources Limited Files Preliminary Short Form Prospectus

17.01.2012 | [Marketwired](#)

NOT FOR DISTRIBUTION TO UNITED STATES NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES

TORONTO, ONTARIO -- ([Marketwire](#) - Jan. 17, 2012) - [Azumah Resources Limited](#) ("Azumah" or the "Company") (TSX: AZR) (ASX: AZM) announced today that it has filed and received a receipt for a preliminary short form prospectus in connection with an offering of ordinary shares (the "Shares") of the Company (the "Offering") in the provinces of British Columbia, Alberta, Saskatchewan, Manitoba, Ontario, Nova Scotia, New Brunswick, Newfoundland and Labrador, and Prince Edward Island, and in other jurisdictions pursuant to applicable exemptions.

The Company intends to use the net proceeds of the Offering to accelerate the exploration of the Wa Gold Project located in Ghana (the "Wa Gold Project"), as well as to complete the related feasibility study and advance permitting and other pre-construction expenditures relating to development of the Wa Gold Project and general corporate and working capital purposes.

The Offering is being conducted by Casimir Capital Ltd. and RBC Capital Markets. Final pricing and determination of the number of Shares to be sold pursuant to the Offering will be agreed in the context of the market.

The Offering is scheduled to close on or about February 2, 2012 and is subject to the approval of the Australian Securities Exchange, the Toronto Stock Exchange and applicable securities regulatory authorities.

About Azumah

Azumah is a gold exploration and feasibility stage mining company with its principal asset being the Wa Gold Project. The Company's primary focus is to complete the feasibility study and to continue a district exploration program focusing on the area surrounding the Wa resource.

This news release does not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the ordinary shares in any state in which such offer, solicitation or sale would be unlawful. The ordinary shares have not been registered and will not be registered under the United States Securities Act of 1933, as amended (the "1933 Act"), or any state securities laws. Accordingly, the ordinary shares may not be offered or sold in the United States or to U.S. persons (as such terms are defined in Regulation S under the 1933 Act) unless registered under the 1933 Act and applicable state securities laws or an exemption from the registration requirements is available.

Cautionary Statement Regarding Forward-Looking Information

This news release contains forward looking information. Such forward-looking information is often, but not always, identified by the use of words such as "seek", "anticipate", "believe", "plan", "estimate", "expect" and "intend" and statements that an event or result "may", "will", "should", "could", or "might" occur or to be achieved and any other similar expressions. In providing the forward-looking information in this news release, the Company has made numerous assumptions regarding: (i) the accuracy of exploration results received to date; (ii) anticipated costs and expenses; (iii) that the results of the feasibility study continue to be positive; and (iv) that future exploration results are as anticipated. Management believes that these assumptions are reasonable. Forward-looking information is subject to known and unknown risks, uncertainties and other factors that could cause actual results to differ materially from those contained in the forward-looking information. Some of these risks, uncertainties and other factors are described under the heading "Risks Factors" in the Company's annual information form available on [www.sedar.com](#). Forward-looking information is based on estimates and opinions of management at the date the statements are made. Except as required by law, Azumah does not undertake any obligation to update forward-looking information even if circumstances or management's estimates or opinions should change. Readers should not place under reliance on forward-looking information.
