TORONTO, ONTARIO -- ([Marketwire](#) - Dec. 6, 2011) - [Energy Fuels Inc.](#) (TSX:EFR) ("Energy Fuels") and [Titan Uranium Inc.](#) (TSX VENTURE: TUE) ("Titan") are pleased to announce that the companies have entered into a definitive business combination agreement to implement the acquisition of Titan by Energy Fuels as originally announced on October 25, 2011. Pursuant to the agreement, the parties will complete a plan of arrangement whereby Energy Fuels will acquire all of the outstanding shares of Titan on the basis of 0.68 of an Energy Fuels share for each Titan share. Based on the currently outstanding shares of Titan, Energy Fuels would issue approximately 88.26 million shares to acquire all of the currently outstanding Titan shares. It is anticipated that the transaction will close during February, 2012.

Steve Antony, President & CEO of Energy Fuels said, "With this acquisition, Energy Fuels can be counted among the largest holders of potentially recoverable uranium resource in North America. Adding Titan's 31 million pounds of NI 43-101 Indicated Mineral Resource significantly enhances the attractiveness of Energy Fuels in this global uranium marketplace."

In addition, Chris Healey, President & CEO of Titan stated, "The execution of the business combination agreement marks an important milestone for Titan and its shareholders. Our board of directors, being in receipt of an external fairness opinion, has unanimously concluded that this transaction is the best way to maximize the value of Titan's assets. Post-arrangement, Titan shareholders will have exposure to a production-focused uranium company with conventional uranium mining expertise, an extensive asset base in the Western United States, and an approved license to construct and operate a new conventional uranium mill."

The transaction is to be effected pursuant to a plan of arrangement under the Canada Business Corporations Act, which will require approval of the shareholders of Titan holding at least 66 2/3% of the votes cast at a shareholders meeting of Titan being in favour of the transaction.
