Auracle Resources Retains Investor Relations Manager

09.08.2012 | CNW

VANCOUVER, Aug. 9, 2012 - Auracle Resources Ltd. ("Auracle") (TSXV: AAL) is pleased to announce it has retained Mr. Albert (Rick) Timcke of Vancouver, B.C. as manager of Investor Relations for Auracle Resources Ltd. Mr. Timcke will be responsible for devising market awareness initiatives and increasing exposure throughout the investment community.

Mr. Timcke has over 21 years' experience of involvement in the public equity markets, with a particular focus on Canadian-based resource issuers. From 1990 to 1996 he managed corporate sales of equity, bond, money market, and foreign exchange information for Dow Jones/Telerate in British Columbia. In 1996, Mr. Timcke was appointed Vice President of Corporate Development for International Panorama Resources, a Canadian-based publicly traded resources issuer, where he was responsible for financing the company's exploration and corporate development activities. Since 1996 Mr. Timcke has held various positions with publicly traded, junior exploration and non-exploration issuers. Recently Mr. Timcke held the position of President, CEO and Director of Tajiri Resources Corp through June 2012.   Mr. Timcke holds a Business Administration Diploma from the British Columbia Institute of Technology (1984) and has completed the Canadian Securities Course.

About Auracle Resources Ltd.

Auracle Resources Ltd is a Canadian junior exploration company with 100% interest in Mexican Hat property in Southeastern Arizona. The Mexican Hat property received extensive exploration by Placer Dome in the early 1990's. The Company's recent drill program confirmed near surface oxide gold mineralization on and nearby areas previously explored by Placer Dome. The Company is focused on continued confirmation of historic data, extending known mineralized zones, and realizing the full potential of the property.
