

# Nord Gold N.V. and High River Gold Mines Ltd. Announce Agreement to Proceed With Subsequent Acquisition Transaction

21.12.2012 | [Marketwired](#)

[Nord Gold N.V.](#) (LSE:NORD) ("Nordgold") and [High River Gold Mines Ltd.](#) ("High River") (TSX:HRG) are pleased to announce that they have entered into an arrangement agreement setting out their intention to complete a statutory plan of arrangement under the Business Corporations Act (Yukon) that will allow Nordgold to acquire all of the common shares of High River not already owned by Nordgold.

Nordgold currently owns 822,667,242 shares of High River, representing approximately 97.9% of the issued and outstanding High River shares. Nordgold acquired 192,039,770 of such High River shares under its recently completed take-over bid, representing approximately 91.6% of the High River shares held by shareholders other than Nordgold as of the commencement of the bid. Based on the number of shares acquired by Nordgold under the bid, Nordgold expects to have enough votes to approve the arrangement without requiring the support of any other High River securityholders.

The consideration payable under the proposed plan of arrangement will be identical to the consideration offered under the bid. Subject to the terms of the arrangement, each holder of a High River share (other than Nordgold) will be entitled to receive, at the election of the holder, either CA\$1.40 or 0.285 Nordgold global depositary receipts per High River share. The arrangement agreement also provides that each of the outstanding options to acquire High River shares will be terminated as part of the arrangement in exchange for the greater of (i) CA\$1.40 less the exercise price of the option or (ii) CA\$0.

The proposed arrangement is expected to be completed in early March 2013 and is subject to certain conditions, including receipt of all necessary court and securityholder approvals. A special meeting of shareholders and optionholders of High River has been called for February 25, 2013 to approve the arrangement. The record date for determining the High River shareholders entitled to receive notice of and vote at the meeting will be January 21, 2013.
