

Santa Fe Gold's Annual Stockholder Meeting Scheduled for August 6, 2013

02.07.2013 | [Business Wire](#)

ALBUQUERQUE, N.M. -- (BUSINESS WIRE) -- [Santa Fe Gold Corporation](#) (OTCBB: SFEG) announced today that its Annual Stockholder Meeting is scheduled to be held at 10:00 a.m. Mountain Time on Tuesday, August 6, 2013, at the Albuquerque Marriott Hotel located at 2101 Louisiana Blvd NE, Albuquerque, NM 87110. Santa Fe Gold Corporation is a gold and silver producer with operations in New Mexico. Its Summit mine achieved commercial production in 2012. Summit produces high value gold-silver concentrates and silica flux products that are sold under contract to domestic and overseas smelters.

In response to stockholder requests, the Company is planning to arrange a tour of the Summit mine and Lordsburg mill following the Annual Meeting. Additional details will be provided closer to the date of the meeting.

The Company has fixed the close of business on June 7, 2013 as the record date for determining whether shareholders are entitled to notice of, and to vote at, the Annual Meeting. Additional information, including details of the business to be conducted at the meeting and the procedure for voting, is included in the Company's Notice of Annual Meeting and Proxy Statement filed with the Securities and Exchange Commission.

About Santa Fe Gold

Santa Fe Gold is a U.S.-based mining enterprise with producing mining operations in Lordsburg, New Mexico, and exploration and development projects in southwestern New Mexico, north-central New Mexico and Arizona. Santa Fe controls: (i) the Summit mine and Lordsburg mill in southwestern New Mexico, which began commercial production in 2012; (ii) a substantial land position near the Lordsburg mill, comprising the core of the Lordsburg Mining District; (iii) the Mogollon gold-silver project, within trucking distance of the Lordsburg mill; (iv) the Ortiz gold property in north-central New Mexico; (v) the Black Canyon mica deposit near Phoenix, Arizona; and (vi) a deposit of micaceous iron oxide (MIO) in western Arizona. Santa Fe Gold intends to build a portfolio of high-quality, diversified mineral assets with an emphasis on precious metals.

Cautionary Note Regarding Forward-Looking Statements

This press release contains forward-looking statements and forward-looking information (collectively, "forward-looking statements") within the meaning of applicable US securities legislation. All statements, other than statements of historical fact, included herein are forward-looking statements. Although the Company believes that such statements are reasonable, it can give no assurance that such expectations will prove to be correct. Forward-looking statements are typically identified by words such as: believe, expect, anticipate, intend, estimate, postulate and similar expressions, or are those, which, by their nature, refer to future events. The Company cautions investors that any forward-looking statements by the Company are not guarantees of future results or performance, and that actual results may differ materially from those in forward-looking statements as a result of various factors, including, but not limited to, variations in the nature, quality and quantity of any mineral deposits that may be located, variations in the market price of any mineral products the Company may produce or plan to produce, the Company's inability to obtain any necessary permits, consents or authorizations required for its activities, the Company's inability to produce minerals from its properties successfully or profitably, to continue its projected growth, to raise the necessary capital or to be fully able to implement its business strategies, and other risks and uncertainties disclosed in the Company's Annual Report on Form 10-K for the year ended June 30, 2012 and its most recent quarterly reports filed with the United States Securities and Exchange Commission (the "SEC"), and other information released by the Company and filed with the appropriate regulatory agencies. All of the Company's US public disclosure filings may be accessed via www.sec.gov and readers are urged to review these materials.
