Mr. J. Scott Drever, Chief Executive Officer stated: "It is particularly gratifying to have shareholders reaffirm their confidence in management with the election of their proposed slate of Directors. We are extremely pleased with the election of Mr. Dunham Craig to the Board. Mr. Craig has 26 years in the mining industry which has encompassed all aspects of mining projects and operations, progressing from exploration discovery to feasibility, financing, permitting, construction and production related to two mines. He has extensive experience in Canada, Central America and Mexico with groups such as Wheaton River Minerals Inc. and Glencairn Gold Inc. and has worked in development, construction and production in Latin America for over 15 years. In addition to his "discovery to production" experience with Wheaton River Minerals, Mr. Craig was Project, Construction & Interim Mine Manager for a 12,000 tpd gold heap leach operation in Central America. Mr. Craig is currently President and CEO of Geologix Explorations which has successfully acquired and permitted a 38,000 tpd gold/copper project in Mexico.

Mr. Craig brings to the Board a broad range of hands-on experience in all aspects of the mining sector. His fellow Directors and Management of the company welcome his participation and look forward to working with him as the many exciting aspects of the growth of SilverCrest continue to unfold."

At the Board of Directors meeting following the AGM, Mr. Graham C. Thody was appointed Non-Executive Chairman of the Company, replacing Mr. J. Scott Drever who had previously served as Executive Chairman. Mr. Drever remains Chief Executive Officer and a Director of the Company. Mr. Thomas Keating, Corporate Controller was appointed VP Finance for the Company.

Graham C. Thody was re-appointed Chair of the Audit Committee; George W. Sanders was re-appointed Chair of the Corporate Governance and Nominating Committee and Ross. O. Glanville was re-appointed Chair of the Compensation Committee. Mr. Craig replaced Mr. Thody as a member of the Corporate Governance and Nominating Committee.

[Silvercrest Mines Inc.](#) (NYSE MKT:SVLC) (TSX:SVL) is a Canadian precious metals producer headquartered in Vancouver, BC. SilverCrest's flagship property is the 100% owned Santa Elena Mine, located 150 km northeast of Hermosillo, near Banamichi in the State of Sonora, México. The mine is a high grade, epithermal silver and gold producer, with an estimated life of mine of 8 years and operating cash costs of \$11 per ounce of silver equivalent (55:1 Ag: Au). SilverCrest anticipates the new 3,000 tonnes per day conventional mill facility at the Santa Elena Mine should recover average silver and gold annual quantities of 1.5 million ounces of silver and 32,800 ounces of gold over the current 8 year reserve. Exploration programs continue to make new discoveries at Santa Elena and also have rapidly advanced the definition of a large polymetallic deposit at the La Joya property in Durango State, Mexico.
