MONTREAL, QUEBEC--(Marketwired - Oct 31, 2014) - [Toro Energy Ltd.](#), a uranium focused project developer and explorer incorporated under the laws of Australia announced today that through its 100% owned subsidiary Toro Energy Canada Pty Ltd (collectively "Toro") acquired ownership and control of an aggregate of 43,000,000 common shares and a C\$14,105,000 principal amount non-interest bearing convertible note of [Strateco Resources Inc.](#) from funds of The Sentient Group.

However, Toro and its affiliates expect to evaluate on an ongoing basis Strateco's financial condition and prospects and its interest in, and intentions with respect to, Strateco and their investment in the securities of Strateco. This review may be based on various internal and external factors, including Strateco's business and financial condition, results of operations and prospects, general economic and industry conditions, the securities markets in general and for Strateco in particular, as well as other developments. Accordingly, Toro and its affiliates reserve the right to change its intentions and develop plans or proposals at any time, as it deems appropriate.
