

VANCOUVER, BRITISH COLUMBIA--(Marketwired - Mar 27, 2015) - [Alderon Iron Ore Corp.](#) (TSX:ADV)(NYSE MKT:AXX) ("Alderon" or the "Company") announces that it has filed with the applicable Canadian securities regulatory authorities on SEDAR its 2014 audited annual consolidated financial statements ("Financial Statements") and management's discussion and analysis ("MD&A") in relation thereto, and Annual Information Form on Form 20-F ("Form 20-F") for the year ended December 31, 2014. The Company has also filed the Financial Statements, MD&A and the Form 20-F with the United States Securities and Exchange Commission on EDGAR. The Financial Statements, MD&A and Form 20-F are available on the Company's website at [www.alderonironore.com](http://www.alderonironore.com). Shareholders have the ability to receive a hard copy of the Financial Statements and MD&A free of charge upon request to the Company.

The Financial Statements, included in the Company's Form 20-F, contain an audit opinion from its independent registered public accounting firm which includes an emphasis of matter paragraph with respect to the Company's use of the going concern assumption. This announcement is made pursuant to NYSE MKT Company Guide Section 610(b), which requires separate disclosure of receipt of an audit opinion containing going concern explanatory language.

## About Alderon

Alderon is a leading iron ore development company in Canada with offices in Montreal, Vancouver, St. John's and Labrador City. The Kami Project, owned 75% by Alderon and 25% by Hebei Iron & Steel Group Co. Ltd. ("HBIS") through The Kami Mine Limited Partnership, is located within Canada's premier iron ore district and is surrounded by two producing iron ore mines. Its port handling facilities are located in Sept-Îles, the leading iron ore port in North America. The Alderon team is comprised of skilled professionals with significant iron ore expertise to advance Kami towards production. HBIS is Alderon's strategic partner in the development of the Kami Project and China's largest steel producer.

## Cautionary Note Regarding Forward-Looking Information

*This press release contains "forward-looking information" within the meaning of the U.S. Private Securities Litigation Reform Act and Canadian securities laws concerning anticipated developments and events that may occur in the future. Forward-looking information contained in this press release include, but are not limited to, statements with respect to the development of the Kami Project.*

*In certain cases, forward-looking information can be identified by the use of words such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or state that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved" suggesting future outcomes, or other expectations, beliefs, plans, objectives, assumptions, intentions or statements about future events or performance. Forward-looking information contained in this press release is based on certain factors and assumptions regarding, among other things, receipt of governmental and other approvals, the estimation of mineral reserves and resources, the realization of reserve and resource estimates, iron ore and other metal prices, the timing and amount of future exploration and development expenditures, the estimation of initial and sustaining capital requirements, the estimation of labour and operating costs, the availability of necessary financing and materials to continue to explore and develop the Kami Project in the short and long-term, the progress of exploration and development activities, the receipt of necessary regulatory approvals, the estimation of insurance coverage, and assumptions with respect to currency fluctuations, environmental risks, title disputes or claims, and other similar matters. While the Company considers these assumptions to be reasonable based on information currently available to it, they may prove to be incorrect.*

*Forward looking information involves known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to be materially different from any future results, performance or achievements expressed or implied by the forward-looking information. Such factors include risks inherent in the exploration and development of mineral deposits, including risks relating to changes in project parameters as plans continue to be redefined including the possibility that mining operations may not commence at the Kami Project, risks relating to variations in mineral resources, grade or recovery rates resulting from current exploration and development activities, risks relating to the ability to access rail transportation, sources of power and port facilities, risks relating to changes in iron ore prices and the worldwide demand for and supply of iron ore and related products, risks related to increased competition in the market for iron ore and related products and in the mining industry generally, risks related to current global financial conditions, uncertainties inherent in the estimation of mineral resources, access and supply risks, reliance on key personnel, operational risks inherent in the conduct of mining activities, including the risk of accidents, labour disputes, increases in capital and operating costs and the risk of delays or increased costs that might be encountered during the development process, regulatory risks, including risks relating*

*to the acquisition of the necessary licences and permits, financing, capitalization and liquidity risks, including the risk that the financing necessary to fund the exploration and development activities at the Kami Project may not be available on satisfactory terms, or at all, risks related to disputes concerning property titles and interest, risks related to disputes with Aboriginal groups, environmental risks and the additional risks identified in the "Risk Factors" section of the Company's Annual Information Form for the most recently completed financial year, which is included in its Annual Report on Form 20-F filed with the U.S. Securities and Exchange Commission (the "SEC") or other reports and filings with applicable Canadian securities regulators and the SEC. Accordingly, readers should not place undue reliance on forward-looking information. The forward-looking information is made as of the date of this press release. Except as required by applicable securities laws, the Company does not undertake any obligation to publicly update or revise any forward-looking information.*
