Subsequent to the Meeting, the directors appointed Mr. Saxon as President and Chief Executive Officer, Mr. DeMare as Chief Financial Officer and Ms. Mariana Bermudez as Corporate Secretary of the Company. Messrs. Atkinson, Leathley and Henstridge were appointed as members of the Audit Committee.

About Tasman Metals Ltd.

Tasman is a Canadian mineral exploration and development company focused on critical metals including REE's and tungsten in Scandinavia. Tasman is listed on the TSX Venture Exchange under the symbol "TSM" and the NYSE-MKT under the symbol "TAS". REE and tungsten demand is increasing, due to the metals' unique properties that make them essential for high technology and industry. Since over 80% of REE and tungsten supply is sourced from China, the European Commission promotes policy to develop domestic supply of critical metals to ensure the security of industry. Tasman receives research funding from the European Commission.

Tasman's exploration portfolio is uniquely placed, with the capacity to deliver strategic metals from politically stable, mining friendly jurisdictions with developed infrastructure and skills. The Company's Norra Karr and Olserum projects in Sweden are two of the most significant known heavy REE projects in the world, enriched in dysprosium, yttrium, terbium and neodymium. The Company is now focused on the safe, sustainable and responsible development of its Scandinavian mineral portfolio.

On behalf of the Board,

"Mark Saxon"
Mark Saxon, President & CEO
