TORONTO, ONTARIO--(Marketwired - Nov 12, 2015) - Century Iron Mines Corp. ("Century" or the "Company") (TSX:FER) is pleased to announce that it has filed its condensed consolidated interim financial statements for the second fiscal quarter ended September 30, 2015 and the related management's discussion and analysis ("MD&A") on SEDAR. Copies of these documents may be obtained under Century's SEDAR profile at www.sedar.com and will be posted on Century's website at www.centuryiron.com.

At the corporate level, the Company reported substantial corporate working capital of $38.2 million, comprised of $26.9 million in cash and bank deposits and $11.3 million in net receivables that are not tied to any iron ore project development.

In addition, the Company reported a cash and bank balance cash balance of $16.6 million in Labec Century, a joint venture with WISCO (the "JV"). The financial strength of the JV and the strong partnership with WISCO have put the Company's iron ore project development to a self-funded position which will enable the Company to deliver significant returns to its shareholders when the market recovers in the long term.

About Century

Century is an exploration and development company with significant properties in the prolific Labrador Trough in Québec, Newfoundland and Labrador, as well as the James Bay area of Québec. Century has two key strategic partners, WISCO and Minmetals, both Chinese state-owned enterprises. Each provides financial resources and technical expertise to assist the Company in advancing its projects. Century's most advanced project is the Joyce Lake DSO project, a joint venture with WISCO located close to Schefferville, Québec. Century owns 60% in the joint venture and WISCO owns 40%. It is planned as a 2.5 million tonne per annum direct shipping iron ore project. A feasibility study was completed in March 2015. After discovery and identification of multi-billion iron resources in the past few years, the Company evolves into a diversified strategic direction. In addition to the iron ore development, Century is committed to exploring and evaluating global opportunities outside of the iron ore market, such as non-ferrous sector and food industry, to create shareholder value through the efficient allocation of capital resources.
