

NEW YORK, Dec. 15, 2015 /PRNewswire/ -- OTC Markets Group Inc. (OTCQX: OTCM), operator of Open, Transparent and Connected financial markets, today announced [Nevada Exploration Inc.](#) (or "NGE") (TSX-V: NGE; OTCQX: NVDEF), a gold exploration company, has qualified to trade on the OTCQX® Best Market.

Nevada Exploration begins trading today on OTCQX under the symbol "NVDEF." U.S. investors can find current financial disclosure and Real-Time Level 2 quotes for the company on www.otcmarkets.com.

"We are pleased to welcome Nevada Exploration to the family of established, investor-focused companies on the OTCQX market," said Jason Paltrowitz, Executive Vice President of Corporate Services at OTC Markets Group. "Trading on OTCQX will allow Nevada Exploration to increase its exposure to U.S. investors by providing transparent trading and convenient access to its news and financial disclosure. We look forward to supporting the company in its continued success."

Wade Hodges, CEO of NGE stated, "With a growing U.S. shareholder base and our operations focused in Nevada, we are very pleased to provide improved accessibility and liquidity to our U.S. shareholders. As we advance our exciting Nevada gold exploration program, we are confident the OTCQX platform will increase our profile with U.S. private and institutional investors."

Dorsey & Whitney LLP serves as Nevada Exploration's Principal American Liaison ("PAL") on OTCQX, responsible for providing professional guidance on OTCQX requirements.

Nevada Exploration is an exploration company focused on gold in Nevada. NGE is led by an experienced management team that has been involved with the discovery of more than 30 million ounces of gold in Nevada. NGE is aggressively applying the latest in covered deposit exploration technology to identify, acquire, and advance new exploration properties in Nevada's highly prospective yet underexplored covered basins. NGE has developed proprietary hydrogeochemistry (groundwater chemistry) exploration technology to explore for gold in Nevada's covered basins where traditional exploration techniques are challenged. Using its industry-leading exploration technology, NGE has assembled a large portfolio of new gold projects, and has established itself as a major player in this world class jurisdiction. NGE's business model is to leverage its properties and technology to create shareholder value through generative exploration.
