

TORONTO, ON / ACCESSWIRE / March 15, 2016 / [Royal Road Minerals Ltd.](#) (TSXV: RYR) ("Royal Road Minerals" or the "Company"), a gold focused mineral exploration and development company, is pleased to announce its intention to complete a non-brokered private placement (the "Offering") of up to 20,000,000 units (each a "Unit") of the Company at a purchase price of C\$0.05 per Unit for aggregate gross proceeds of up to C\$1.0 million. Each Unit will be comprised of one ordinary share of the Company and one-half of one ordinary share purchase warrant (each whole warrant a "Warrant"). Each Warrant will entitle the holder thereof to acquire one ordinary share of the Company for a period of 24 months from the date of issuance.

The net proceeds of the Offering will be used by the Company to help finance its planned operations in Colombia and for general working capital purposes. In connection with the Offering, the Company may pay fees to certain finders in an amount equal to 6% of the aggregate proceeds from purchasers sourced by such parties.

The Offering is expected to close on or about April 8, 2016. Closing of the Offering is subject to the approval of the TSX Venture Exchange. All the securities issued under the Offering are subject to resale restrictions under applicable securities laws.

The securities to be issued under the Offering have not been, and will not be, registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act"), or any state securities laws, and accordingly, may not be offered or sold within the United States except in compliance with the registration requirements of the U.S. Securities Act and applicable state securities requirements or pursuant to exemptions therefrom. This news release does not constitute an offer to sell or a solicitation of an offer to buy any of the Company's securities in the United States.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

Cautionary statement:

This news release may contain certain information that constitutes forward-looking statements. Forward-looking statements are frequently characterized by words such as "plan," "expect," "project," "intend," "believe," "anticipate" and other similar words, or statements that certain events or conditions "may" or "will" occur and include statements regarding the Option Agreement. Forward-looking statements are based on the opinions and estimates of management at the date the statements are made, and are subject to a variety of risks and uncertainties and other factors that could cause actual events or results to differ materially from those projected in the forward-looking statements. These factors include the inherent risks involved in the hiring and retention of directors and officers, exploration and development of mineral properties, mine site planning and development, the uncertainties involved in interpreting drilling results and other geological data, fluctuating metal prices, permitting and licensing and other factors described above and in the Company's most recent annual information form under the heading "Risk Factors", which has been filed electronically by means of the Canadian Securities Administrators' website located at www.sedar.com. The Company disclaims any obligation to update or revise any forward-looking statements if circumstances or management's estimates or opinions should change. The reader is cautioned not to place undue reliance on forward-looking statements.
