

VANCOUVER, April 20, 2016 /CNW/ - [Wealth Minerals Ltd.](#) (the "Company" or "Wealth") - (TSXV: WML; OTCBB: WMLLF; SSE: WMLCL; Frankfurt: EJZ), announces that Mergent Inc's ("Mergent") Editorial Board has approved the Company for a listing in Mergent Manuals and News Reports™ (the "Manual"). Wealth's corporate profile, which includes descriptive text data as well as news and financial statements, will be accessible via Mergent's online and print products. As part of Mergent's listing services, the new description will be highlighted separately at www.mergent.com.

The Manual is a "recognized securities manual" in 39 states for purposes of Blue Sky Manual Exemption. First published in 1918, and formerly known as Moody's® Manuals and News Reports, the publication was rebranded as Mergent Manuals and News Reports®; when Mergent, Inc. acquired Moody's® Financial Information Services division in 1998.

Wealth's listing in the Manual is intended to facilitate the trading of the Company's common shares in secondary markets and aid the brokerage community in making a market for the Company's stock. However, as some states have specific requirements, it is recommended that brokers confirm with their compliance/legal department concerning Blue Sky laws in specific states and other regulatory laws that might affect them.

About Mergent Inc.

Mergent is a leading provider of business and financial data on global publicly listed companies. Based in the U.S, Mergent maintains a strong global presence, with offices in New York, Charlotte, San Diego, London, Tokyo, Kuching and Melbourne. Mergent operates one the longest continuously published databases of descriptive and fundamental information as well as pricing and corporate action data on domestic and international companies, together with terms and conditions data on corporate and municipal bonds. Mergent subsidiaries provide services in independent equity research and administration tools for portfolio building and measurement.

Available electronically and in print, the Manual provides authoritative, comprehensive, and detailed descriptions of the business and financial operations of thousands of public companies throughout the world.

About Wealth Minerals Ltd.

Wealth is a mineral resource company with interests in Canada, Mexico, Peru and Chile. The Company's main focus is the acquisition of Lithium projects in South America, including interests in the Maricunga Salar in Chile. The Company also maintains a portfolio of precious and base metal exploration-stage projects.

Cautionary Note Regarding Forward-Looking Statements

This press release contains forward-looking statements and forward-looking information (collectively, "forward-looking statements") within the meaning of applicable Canadian and US securities legislation. All statements, other than statements of historical fact, included herein including, without limitation, statements regarding the anticipated content, commencement, timing and cost of exploration programs, anticipated exploration program results, the discovery and delineation of mineral deposits/resources/reserves, the proposed acquisition by the Company of interests in the Maricunga Salar, Chile, and the anticipated business plans and timing of future activities of the Company, are forward-looking statements. Although the Company believes that such statements are reasonable, it can give no assurance that such expectations will prove to be correct. Forward-looking statements are typically identified by words such as: believe, expect, anticipate, intend, estimate, postulate and similar expressions, or are those, which, by their nature, refer to future events. The Company cautions investors that any forward-looking statements by the Company are not guarantees of future results or performance, and that actual results may differ materially from those in forward looking statements as a result of various factors, including, but not limited to, the state of the financial markets for the Company's equity securities, the state of the commodity markets generally, variations in the nature, quality and quantity of any mineral deposits that may be located, variations in the market price of any mineral products the Company may produce or plan to produce, the inability of the Company to obtain any necessary permits, consents or

authorizations required, including TSXV acceptance, for its planned activities, the inability of the Company to produce minerals from its properties successfully or profitably, to continue its projected growth, to raise the necessary capital or to be fully able to implement its business strategies, and other risks and uncertainties disclosed in the Company's latest interim Management Discussion and Analysis and filed with certain securities commissions in Canada. All of the Company's Canadian public disclosure filings may be accessed via www.sedar.com and readers are urged to review these materials, including the technical reports filed with respect to the Company's mineral properties.
