New and Returning Features

The event begins with the delegates' exclusive field visit on Monday, April 3, and the three-day program expanded to include several new features.

Delegates will now be able to attend with the payment of a single fee to the main copper conference and can access the following:

- International Exploration Forum
- Metallurgical Sulfur Acid Seminar
- Innovation Showcase
- ICA Workshop - Copper Demand and Substitution
- Visit to the mines of Chuquicamata and Minister Hales

All of this is included in the delegate fee.

Assistants

The conference attracts leading CEOs from the entire copper industry, decision makers, buyers and leading copper users.
