Highlights

Financing

- On May 29, 2017, the Company announced it had executed a definitive subscription agreement with Ahmet Taçyildiz, the Chairman and controlling shareholder of ANT Holding Anonim Sti (“ANT”) and a director of Aldridge, in connection with a US\$5 million non-brokered private placement (the “Private Placement”) of common shares (“Common Shares”) of the Company. Common Shares issued pursuant to the Private Placement will be priced at US\$0.15 (or approximately CAD\$0.20) per Common Share.
- Aldridge intends to use the net proceeds of the Private Placement to fund the completion of the Yenipazar Project land acquisition process, progress project development and for general corporate purposes.
- The closing of the Private Placement is anticipated to occur on or about June 15, 2017 (the “Closing Date”). On the Closing Date, Mr. Taçyildiz will purchase 33,333,333 Common Shares for gross proceeds of US\$5,000,000. Upon the closing of the proposed Private Placement the Company understands that ANT and its wholly-owned subsidiaries, together with Mr. Taçyildiz, will own, or exercise control or direction over, a total of 66,617,442 common shares or approximately 47.4% of the outstanding Common Shares. In the event that Orion Fund JV Limited (“Orion”) exercises its existing anti-dilution rights prior to the closing of the Private Placement, the percentage of outstanding Common Shares held by ANT, its wholly-owned subsidiaries and Mr. Taçyildiz would decrease to 46.1%.

Land Acquisition

- As at March 31, 2017 and May 30, 2017, the Company had acquired title to or had the right to access approximately 91.4% of the Yenipazar project area, including partially owned land parcels.
- Since March 31, 2017, key milestones in the ongoing State-led compulsory land acquisition court process were achieved. At hearings held on March 2 through April 20, 2017, the Court issued payment decisions on 631,634 square metres of the remaining 764,129 square metres of private land. Aldridge made the requested payments to the court within 15 days of the payment decisions. The next steps in the court process include additional hearings to address price objections from land owners before the Court issues the final price decision and directs the land office to transfer the land title to Treasury land. Following the transfer of these 631,634 square metres to Treasury land, Aldridge will have acquired title to or have the right to access approximately 98.1% of the Yenipazar project area, including partially owned land parcels.
- The Company expects that the land acquisition will be completed in 2017 within the Company’s current capital expenditure budget for land.

“I am pleased with the continued progress on the Yenipazar land acquisition, which we expect to complete this year,” said Han Ilhan, President & CEO. “Following the closing of the Private Placement, our focus will be evaluating project financing alternatives for the construction of the Yenipazar Project and strategic options in order to maximize value for shareholders.”
