

Highvista Gold Inc. Provides Asset Purchase Agreement Update in Connection with its Change of Business Transaction

13.04.2018 | [Newsfile](#)

Toronto, April 12, 2018 - [Highvista Gold Inc.](#) ("Highvista" or the "Company") (TSXV: HVV) wishes to announce that its asset purchase agreement (the "Asset Purchase Agreement") with Prince Arthur Capital Corporation ("PAC") has been amended to reflect the extended closing of the transaction to June 29, 2018. PAC is an "affiliated entity" used to facilitate the acquisition of two leased properties and one development property located in Windsor, Ontario (collectively, the "Windsor Properties"). The transaction will constitute a Change of Business from mineral exploration to an investment company and a Reverse Takeover transaction under the rules of the TSX Venture Exchange (the "TSXV")(the "Transaction").

The Company has also determined to let lapse the previously announced option on an additional development property located in St. Catharines and the Company is no longer considering acquiring the property.

As part of its previously announced Change of Business, the primary areas of the investment focus of Highvista will be providing investment solutions for government-funded entities, such as hospitals and legions, regarding their facilities and related services and infrastructure. The Company will be making medically-oriented property and other infrastructure and healthcare-oriented "social infrastructure investments" its main focus.

Highvista also announces that Dr. Ruben Shiffman, BBA, MBA, PhD, has been appointed to the Board of Directors of the Company. Dr. Shiffman is currently founder and principal of 1885683 Alberta a light oil producer in Manitoba, Canada and of [Greenland Resources Inc.](#), a mining company with assets in Greenland. He was the co-founder and Executive Chairman of the mining company [Calvista Gold](#) (TSX:CVZ), successfully sold to Eike Batista AUX group. Previously, Ruben was the Managing Director of emerging markets trading at Scotia Capital, VP trading at TD Securities and represented Mexico MOF at the Bank for International Settlements in Basel. He is currently Governor of the International Board of Governors of Tel-Aviv University.

To the knowledge of the directors and officers of Highvista and PAC, as of the Closing of the Transaction, PAC is the only person who is anticipated to own of record or beneficially, directly or indirectly, or exercise control or direction over the common shares of Highvista carrying more than 10% of the votes attached to such common shares.

The trading of common shares of Highvista has been halted and will remain halted pending receipt by the TSXV of certain required materials from Highvista and until Highvista engages a sponsor or a sponsorship exemption is granted. The Company intends to apply for an exemption from the sponsorship requirements of the TSXV in connection with the Transaction. There is no assurance that such sponsorship exemption will be granted or be granted on terms satisfactory to the parties.

The Transaction is a "related party transaction" within the meaning of Multilateral Instrument 61-101 Protection of Minority Shareholders in Special Transactions ("MI 61-101") as Gerry McCarvill, a director, officer and shareholder of the Company, is also a director, officer and sole shareholder of PAC. As a consequence, the Transaction is subject to minority shareholder approval requirements.

Further details of the Transaction will be provided in the Company's information circular which it plans to deliver to Shareholders of the Company for its upcoming next Annual and Special Meeting.
