

Lorraine Copper Corp. announces DTC Eligibility

20.08.2018 | [The Newswire](#)

Vancouver, August 20, 2018 - [Lorraine Copper Corp.](#) ("Lorraine Copper") (TSX VENTURE: LLC) (OTC: LRCPF) is pleased to announce that it has secured DTC eligibility by The Depository Trust Company for its shares traded on the OTCQB "LRCPF".

The DTC is a subsidiary of the Depository Trust & Clearing Corporation ("DTCC") and manages the electronic clearing and settlement of publicly traded companies. Securities that are eligible to be electronically cleared and settled through the DTC are considered "DTC eligible." This electronic method of clearing securities speeds up the receipt of stock and cash, and thus accelerates the settlement process for investors and brokers, enabling the stock to be traded over a much wider selection of brokerage firms by coming into compliance with their requirements.

Being DTC eligible is expected to greatly simplify the process of trading and exchange of the Company's common stock on the OTC marketplace in the United States.

"We are pleased to have obtained DTC eligibility," said Bill Morton, President and CEO. "DTC eligibility simplifies the process of trading and transferring Lorraine Copper's shares between brokerages in the United States and reduces the costs incurred in trading shares. With our shares now DTC eligible, we expect this to lead to greater liquidity and execution speeds, as well as our shares being accessible to an even broader range of investors."

G. L. Garratt, P.Geo., is the qualified person, as defined by NI 43-101, who has reviewed and takes responsibility for this news release.
