PHOENIX, Aug. 30, 2018 - David Beling, CEO of [Bullfrog Gold Corp.](#) (OTCQB:BFGC) (the "Company") is making another stop by Uptick Newswire's "Stock Day" Podcast.

Beling joined host Everett Jolly for the second time to discuss the growing Nevada company's recent acquisition of Northern Empire Resources. It's part of the Bullfrog Project, which is taking place about 120 miles northwest of Las Vegas.

Jolly hears about the exciting new exploration areas the company is mining as well as the latest technological advances the company is using. Beling says the early results are encouraging.

As for the company's stock, Beling believes it's undervalued compared to similar companies. With prices at a fraction of what some other stocks are selling for, Beling calls it a "compelling investment story."
