About Harmony

Harmony, a world-class gold mining and exploration company, has operations and assets in South Africa and Papua New Guinea (PNG). Harmony, which has more than 68 years' experience in the industry, is the second largest gold producer in South Africa. Our assets include one open pit mine and several exploration tenements in PNG, as well as nine underground mines and one open pit operation and several surface sources in South Africa. In addition, we own 50% of the significant Wafi-Golpu copper-gold project in a joint venture in PNG.

Additional information on the company is available on the corporate website, www.harmony.co.za.

About VirtualInvestorConferences.com

Since 2010, VirtualInvestorConferences.com, created by BetterInvesting (NAIC) and PRNewswire, has been the only monthly virtual investor conference series that provides an interactive forum for presenting companies to meet directly with investors using a graphically-enhanced online platform.

Designed to replicate the look and feel of location-based investor conferences, Virtual Investor Conferences unites PR Newswire's leading-edge online conferencing and investor communications capabilities with BetterInvesting's extensive retail investor audience network.
