PHOENIX, Feb. 13, 2019 - Midas Gold Group is pleased to announce its sponsorship of Dr. Sebastian Gorka's new nationally syndicated radio program America First. The company is also proud to disclose that it will be the only gold & precious metals company endorsed by Dr. Gorka.

Gorka, whose family fled communism in Hungary, served in British Intelligence and later worked for the U.S. Department of State. Dr. Gorka became a proud American citizen in 2012 and has provided intelligence briefs to the CIA, the DIA, the U.S. Navy SEALs, and the Commandant of the Marine Corps. Dr. Gorka is also a best-selling author and National Security Strategist for the Fox News Channel. Prior to launching his radio show, Dr. Gorka was an advisor to Presidential candidate Donald Trump and served as a member of the Trump White House as Deputy Assistant to the President for Strategy.

"Midas Gold Group congratulates Dr. Gorka on his new show," said James Clark, Midas Gold Group's Senior Vice President. "We share the American values that he promotes and we are pleased to demonstrate our support for him and his message as a show sponsor. We live in a very uncertain economic and political environment, and we appreciate the informed and insightful viewpoint on current events that Sebastian offers to his listeners. We seek to provide people with a unique and profound perspective on their wealth and long-term investment strategies."

"I am pleased to be working with Midas Gold Group, a veteran-owned company," noted Dr. Gorka. "They offer options for financial diversification that should be considered in today's uncertain global environment."
