Note: The slide presentation will be available for download at www.terangagold.com for simultaneous viewing during the call.

About Teranga

Teranga is a multi-jurisdictional West African gold company focused on production and development as well as the exploration of approximately 5,500 km² of land located on prospective gold belts. Since its initial public offering in 2010, Teranga has produced more than 2 million ounces of gold at its Sabodala operation in Senegal. Focused on diversification and growth towards its vision of becoming a mid-tier producer, the Company recently announced commercial production at its second gold mine, Wahgnion, which is located in Burkina Faso, and is carrying out exploration programs in three West African countries: Burkina Faso, Côte d'Ivoire and Senegal. Teranga applies a rigorous capital allocation framework for its investment decisions.

Steadfast in its commitment to set the benchmark for responsible mining, Teranga operates in accordance with international standards and aims to act as a catalyst for sustainable economic, environmental, and community development as it strives to create value for all of its stakeholders. Teranga is a participant of the United Nations Global Compact and a leading member of the multi-stakeholder group responsible for the submission of the first Senegalese Extractive Industries Transparency Initiative revenue report.
