VANCOUVER, British Columbia, May 15, 2020 -- [NovaGold Resources Inc.](#) ("NOVAGOLD" or the "Company") (NYSE American, TSX: NG) is pleased to announce the detailed voting results on the items of business considered at its Annual General Meeting of Shareholders held on May 14, 2020 (the "Meeting"). All proposals were approved and all 10 director nominees were elected. A total of 269,575,448 or 82.02% of the Company's issued and outstanding shares were represented at the Meeting.

## Dr. Elaine Dorward-King joins the Board of Directors of NOVAGOLD

The Company is also pleased to report the election of Dr. Elaine Dorward-King to its Board at the Meeting, effective May 14, 2020. Dr. Elaine Dorward-King is a 30-year career executive with a well-established track record of accomplishments in the fields of environmental stewardship, social responsibility, sustainability practices, and governance. Most recently, she served as an Executive Vice President of [Newmont Corp.](#) ("Newmont"), where she was responsible for development and implementation of corporate strategy and practice related to environmental protection, social responsibility, community relations, external affairs, government relations, and communications. Prior to her tenure at Newmont, Dr. Dorward-King worked for Rio Tinto, where she served as Managing Director of Richards Bay Minerals in South Africa and, before that, as Global Head of Health, Safety and Environment.

Dr. Dorward-King has authored numerous scientific papers, contributed to five environmental science textbooks, and received numerous awards and honors for her work in advancing safety and environmental responsibility, including being named as one of the 100 Most Inspirational Women in Mining. She currently serves on the Board of Directors for Project WET, a global non-profit organization focused on water awareness education and training. Since 2014, she has served as a Board member of Resources for the Future (RFF), a preeminent environmental economics think tank, providing impartial research and policy engagement to advance environmental, energy and natural resource decision making. Dr. Dorward-King is serving as a non-executive director on the Boards of Kenmare Resources (LSE: KMR), Great Lakes Dredge and Dock (NASDAQ: GLDD), Bond Resources (CSE: BJB), and Sibanye Stillwater (JSE: SSW). Dr. Dorward-King graduated from Colorado State University with a Ph.D. in analytical chemistry and from Maryville College in Tennessee with a B.A. magna cum laude in chemistry, with emphasis in biology and mathematics.

## Shareholder Engagement

During this year's proxy outreach, NOVAGOLD engaged with shareholders owning 40,000-plus shares; thus contacting holders of approximately 91% of the Company's issued and outstanding common shares entitled to vote at the Meeting. Year-over-year the input received from shareholders has helped shape and improve the Company's practices in the area of corporate governance.
