05.08.2020 | Accesswire

LOS ANGELES, August 5, 2020 - LD Micro today announced the initial list of companies slated to present at the upcoming LD 500, taking place September 1st-4th, 2020, exclusively online.

"For the first time in ten years, we were unable to host our mid-year conference, which caused us to dream up the LD 500," stated Chris Lahiji, President of LD Micro. "This will be our most ambitious event to date, expected to feature over 300 companies to more than 20,000 attendees. While the economy and financial world have been turned upside down, investor interest is as high as we have ever seen, and we will have something for everyone. Our "Zooming with LD" series has created some significant momentum that we plan to ride out till the big week."
