Vancouver, Oct. 29, 2020 - [San Marco Resources Inc.](#) (TSXV: SMN) ("San Marco" or the "Company") announces that, effective Monday, November 2, 2020, its name will change to "Sun Summit Minerals Corp."

CEO Bob Willis stated, "We are excited to make this change to highlight our new focus on our flagship Buck property in central B.C. and other opportunities which our group identifies. The name denotes "new heights" and we hope to achieve this by re-examining the Buck project with a new outlook, new takes on research, and using new technology. We have assembled a top notch team of professionals to ensure we achieve our goals at Buck."

The new CUSIP number and ISIN for its common shares will be 86687V100 and CA86687V1004, respectively. Its trading symbol will remain "SMN" and there will be no consolidation or other change to its share capital.

The name change will be accompanied by a new logo and website, which will be visible in the coming weeks online and on and other corporate material.

Drilling is currently ongoing at the Buck property (see news release from September 8, 2020), and an exploration update will be released shortly.
