

# Rockcliff Metals Corp. Retains Oak Hill Financial to Provide Investor Relations Services

02.02.2021 | [Newsfile](#)

Sudbury, February 2, 2021 - [Rockcliff Metals Corp.](#) (CSE: RCLF) (FSE: RO0) (WKN: A2H60G) ("Rockcliff" or the "Company") is pleased to announce that it has retained Oak Hill Financial Inc. ("Oak Hill") to provide investor relations services to the Company in compliance with regulatory guidelines.

Oak Hill is a Toronto-based firm which develops strategic platforms for its clients that are utilized to gain exposure to, and recognition in, the capital markets. Oak Hill provides capital markets and investor relations services. Its team has marketed corporate issuers ranging in market cap from \$10M to \$2B in a variety of different sectors to the Canadian retail brokerage channel and institutional networks. Oak Hill's team has extensive experience across equity capital markets, equity research, institutional equity sales and traditional investor relations - resulting in tailored and highly collaborative solutions. Oak Hill is located at 161 Bay Street, Suite 2460 in Toronto.

"With the increasing demand for copper development projects and our positive PEA results published last month (see press release date January 25, 2021), we believe there are many investors seeking companies with the investment catalysts offered by Rockcliff. We are delighted to engage Oak Hill and broaden the reach of our investor relations program" said Alistair Ross, President and CEO of Rockcliff.

Oak Hill will work closely with Rockcliff to develop and deploy a comprehensive capital markets strategy and campaign. Activities will include providing an investor relations program catering to retail investors, marketing services and an ongoing client services program.

## About Rockcliff Metals Corporation

Rockcliff is a Canadian resource development and exploration company, with a +1,000 tonne per day leased processing and tailings facility as well as several advanced-stage, high-grade copper and zinc dominant VMS deposits in the Snow Lake area of central Manitoba, Canada. The Company is a major landholder in the largest Paleoproterozoic VMS district in the world, hosting high grade mines and deposits containing copper, zinc, gold and silver. The Company's extensive portfolio of properties totals approximately 4,500 square kilometres and includes seven of the highest-grade, undeveloped VMS deposits in the Flin Flon -Snow Lake Greenstone Belt.

## Cautionary Note Regarding Forward-Looking Statements:

This news release contains "forward-looking information" within the meaning of applicable Canadian

securities laws . Generally, these forward-looking statements can be identified by the use of forward-looking terminology such as "plans", "expects", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates", or "believes", or the negatives and / or variations of such words and phrases, or state that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur", "be achieved" or "has the potential to". In particular, the forward-looking statements in this press release include, without limitation, statements regarding: future projected production, capital costs and operating costs, recovery methods and rates, development methods and plans, commodity prices and Mineral Resource Estimates. Statements relating to "Mineral Resources" are deemed to be forward-looking information, as they involve the implied assessment that, based on certain estimates and assumptions, the Mineral Resources described can be profitably produced in the future.

Forward looking statements are based on the certain assumptions opinions and estimates as of the date such statements are made, and they are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such forward-looking statements. Factors that could cause actual results to differ materially from those in forward-looking statements include: delays resulting from the COVID-19 pandemic, changes in market conditions, unsuccessful exploration results, possibility of project cost overruns or unanticipated costs and expenses, changes in the costs and timing of the development of new deposits, inaccurate resource estimates, changes in the price of copper or zinc, unanticipated changes in key management personnel and general economic conditions. Mining exploration and development is an inherently risky business. The Company believes that the expectations reflected in the forward-looking statements are reasonable but no assurance can be given that these expectations will prove to be accurate and results may differ materially from those anticipated in the forward-looking statements. For a discussion in respect of risks and other factors that could influence forward-looking statements, please refer to the factors discussed in the Company's Management Discussion and Analysis for the year ended March 31, 2020 and subsequent quarterly financial reports under the heading 'Risk Factors'. These factors are not and should not be construed as being exhaustive.

Accordingly, readers should not place undue reliance on forward-looking statements. The forward-looking information contained in this news release is expressly qualified by this cautionary statement. Any forward-looking information and the assumptions made with respect thereto speaks only as of the date of this news release. The Company does not undertake any obligation to publicly update or revise any forward-looking information after the date of this news release to conform such information to actual results or to changes in the Company's expectations except as otherwise required by applicable legislation.
