TORONTO, Aug. 11, 2021 - [QC Copper and Gold Inc.](#) ("QC Copper & Gold" or the "Company") (TSXV: QCCU) is pleased to announce that in partnership with the YMP Scholarship Fund and Ore Group, it has created the Ore Group Indigenous Scholarships. As part of these scholarships, QC Copper & Gold will be awarding a \$2,000 scholarship to a student leader looking to pursue a career in the mining industry who has demonstrated academic success and a commitment to preserving Indigenous languages and culture.

"Ore Group is very pleased to support initiatives that encourage Canadian students to explore their interests in the natural resource sector. Our industry faces a substantive talent gap, and we are proud to support STEM and earth sciences education. Furthermore, it is critical to engage Canada's Indigenous communities and encourage their involvement within the extractive industries, as it is the largest employer and a primary partner of these communities," said Stephen Stewart, CEO of QC Copper & Gold and Chairman of Young Mining Professionals.
