About Hut 8:

Hut 8 is one of North America's largest innovation-focused digital asset miners, supporting open and decentralized systems since 2018. Located in energy rich Alberta, Canada, Hut 8 has one of the highest installed capacity rates in the industry and holds more self-mined Bitcoin than any crypto miner or publicly traded company globally. Hut 8 is executing on its commitment to mining and holding Bitcoin and has a diversified business and revenue strategy to grow and protect shareholder value regardless of Bitcoin's market direction. The Company's multi-pronged business strategy includes profitable digital asset mining, white-label high-performance compute hosting, as well as yield & income programs leveraging its Bitcoin held in reserve. Having demonstrated rapid growth and a stellar balance sheet, Hut 8 was the first publicly traded miner on the TSX and the first Canadian miner to be listed on The Nasdaq Global Select Market. Hut 8's team of business building technologists are believers in decentralized systems, stewards of powerful industry-leading solutions, and drivers of innovation in digital asset mining and high-performance computing, with a focus on ESG alignment. Through innovation, imagination, and passion, Hut 8 is helping to define the digital asset revolution to create value and positive impacts for its shareholders and generations to come.
