25.11.2021 | [Newsfile](#)

Toronto, Nov 25, 2021 - [GoldSpot Discoveries Corp.](#) (TSXV: SPOT) (OTCQX: SPOFF) ("GoldSpot" or the "Company"), a leading technology services company leveraging machine learning to transform the mineral discovery process, is pleased to announce it has been engaged by [Red Pine Exploration Inc.](#) (TSXV: RPX) ("Red Pine"), to apply its proprietary machine learning technology and geoscience expertise on its Wawa Gold project, consisting of a claim package of 6,986 hectares and a NI 43-101 compliant resource estimate.

GoldSpot works with leading exploration and mining clients across all commodities and deposit types, using cutting-edge technology and geoscientific expertise to mitigate exploration risks and significantly increase the efficiency and success rate of mineral exploration across resources. Recent successes by GoldSpot with both leading producers and explorer/developers have demonstrated the potential to expand resources and make new discoveries using this advanced analytical technology.

GoldSpot will work closely with the technical team at Red Pine to expand the existing resource estimate as well as identify regional targets for exploration and expansion.

Quentin Yarie, Chief Executive Officer and Director commented: "Our technical team will welcome the input provided by GoldSpot and be very interested in comparing it to our existing models. We look forward to aggressively progressing our understanding of the Wawa Gold Corridor."

Vincent Dub-Bourgeois, CEO and Director of GoldSpot, added: "Red Pine's highly prospective Wawa Gold project is a fantastic addition to our growing Northern Ontario client portfolio. We're excited to work with the Red Pine team to advance exploration on the property and work towards identifying new discoveries."

The technical information in this press release has been prepared in accordance with the Canadian regulatory requirements set out in National Instrument 43-101 (Standards of Disclosure for Mineral Projects) and reviewed and approved by Chris MacInnis, professional geoscientist (APGO No. 2059), a qualified person as defined by National Instrument 43-101 guidelines.
