

Royal Fox Gold Inc. Announces Private Placement of Flow-Through Shares

18.03.2022 | [Newsfile](#)

Toronto, March 18, 2022 - [Royal Fox Gold Inc.](#) (TSXV: FOXG) ("Royal Fox" or the "Company") announces a non-brokered private placement of 8,333,333 common shares in the capital of the Company issued on a flow-through basis (each, a "FT Share") at a price of \$0.06 per FT Share for aggregate gross proceeds of up to \$500,000 (the "Offering"). The FT Shares will qualify as "flow-through shares" within the meaning of subsection 66(15) of the Income Tax Act (Canada).

All securities issued pursuant to the Offering will be subject to a hold period of four months plus a day from the date of issuance and the resale rules of applicable securities legislation. The gross proceeds from the sale of the FT Shares will be used by the Company to incur eligible "Canadian exploration expenses" that will qualify as "flow-through expenditures" as such terms are defined in the Income Tax Act (Canada).

The closing of the Offering is subject to certain conditions including, but not limited to, the receipt of all necessary regulatory and other approvals, including the approval of the TSX Venture Exchange.

This news release does not constitute an offer to sell or a solicitation of an offer to sell any of the securities in the United States. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act") or any state securities laws and may not be offered or sold within the United States or to U.S. Persons unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.

About Royal Fox Gold Inc.

[Royal Fox Gold Inc.](#) is a mineral exploration company focused on the development of the Philibert Project near Chibougamau, Québec. The Philibert Project comprises 110 mineral titles having a total approximate area of 5,393 hectares of highly prospective ground, 9km from IAMGOLD's Nelligan Gold project which was awarded the "Discovery of the Year" by the Quebec Mineral Exploration Association (AEMQ) in 2019.

To date, more than \$10M (historical) have been spent on the Philibert Project, with more than 60,000 metres of drilling completed. The Company is focused on de-risking the asset and releasing a maiden NI 43-101 resource estimate which will incorporate results from both brownfield and greenfield exploration, combined with extensive historical data. The Philibert Project is owned by SOQUEM. Royal Fox is currently undergoing an ownership option process, details of which can be found in the corporate presentation available on the Company's website. More details are available in the corporate presentation of Royal Fox at: www.royalfoxford.com.

About SOQUEM
