

Nobel Engages Generation IACP Inc. For Market Making Services

22.03.2022 | [GlobeNewswire](#)

TORONTO, March 22, 2022 - [Nobel Resources Corp.](#) (TSX - V: NBLC; OTC: NBTRF) (the "Company" or "Nobel") has engaged the services of Generation IACP Inc. ("Generation") to provide services as a market maker in compliance with the policies and guidelines of the TSX Venture Exchange and other applicable legislation. Generation will receive a fee of C\$7,500 plus applicable taxes per month. The agreement between the Company and Generation is for an initial term of six (6) months and shall be automatically renewed for subsequent six (6) month periods (collectively, the "Term") unless the Company provides written notice of termination to Generation at least 30 days prior to the end of the Term or Generation provides a written notice of termination to the Company. Commencing on the first anniversary of the agreement, the fee payable to Generation will automatically increase annually by 3.0%. No stock options or other compensation are being granted in connection with the engagement. Generation does not currently own any securities of the Company; however, Generation and its clients may acquire an interest in the securities of the Company in the future.

Generation is an arm's length party to the Company. Generation's market making activity will be primarily to correct temporary imbalances in the supply and demand of the Company's shares. Generation will be responsible for the costs it incurs in buying and selling the Company's shares, and no third party will be providing funds or securities for the market making activities.

About Generation IACP Inc.

Generation is based in Toronto, Ontario, and is an independently held and registered broker and member of the Investment Industry Regulatory Organization of Canada, the TSX-V, the Canadian Securities Exchange, and the NEO Exchange, and is a Participating Organization, as such term is defined in the rules and policies of the Toronto Stock Exchange.

About Nobel

Nobel Resources has the right to acquire 100% interest in the Algarrobo Iron Oxide Copper Gold (IOCG) project and 100% of the Salvadoria project, potential IOCG style high grade copper properties in Chile. The country is a top mining jurisdiction as it is strategically located close to infrastructure and has world-class IOCG deposits within the Major Candelaria belt. Chile's mining capabilities benefit from close to surface, high grade mineralization within the mining face and has the necessary permitting in place.

Cautionary Note Regarding Forward-looking Information

This press release contains "forward-looking information" within the meaning of applicable Canadian securities legislation. Forward-looking information includes, without limitation, regarding the market making services of Generation and the Company's future plans. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or state that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved". Forward-looking information is subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of Nobel, as the case may be, to be materially different from those expressed or implied by such forward-looking information, including but not limited to: general business, economic, competitive, geopolitical and social uncertainties; the actual results of current exploration activities; risks

associated with operation in foreign jurisdictions; ability to successfully integrate the purchased properties; foreign operations risks; and other risks inherent in the mining industry. Although Nobel has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking information. Nobel does not undertake to update any forward-looking information, except in accordance with applicable securities laws.

NEITHER TSX VENTURE EXCHANGE NOR ITS REGULATION SERVICES PROVIDER (AS THAT TERM IS DEFINED IN THE POLICIES OF THE TSX VENTURE EXCHANGE) ACCEPTS RESPONSIBILITY FOR THE ADEQUACY OR ACCURACY OF THIS RELEASE.
