TORONTO, March 31, 2022 - [Gowest Gold Ltd.](#) ("Gowest" or the "Company") (TSX VENTURE: GWA) provided an update on its annual and special meeting of shareholders held today (the "Meeting") at which a significant majority of shareholders present or represented by proxy voted in favour of the resolution approving the previously announced (see *Gowest News Release dated January 24, 2022*) investment by Greenwater Investment Hong Kong Limited ("Greenwater") of up to \$19 million. In accordance with the policies of the TSX-V, Greenwater and any of its related parties were excluded from voting on this resolution.

The initial portion of this two-part private placement financing (the "Offering") was completed on or prior to March 10, 2022, with the issuance and sale to Greenwater of promissory notes in an aggregate principal amount of \$7,500,000 (the "Promissory Notes"), for an aggregate purchase price of \$7,500,000. The Promissory Notes will now automatically convert into Units (as defined below) within five business days in accordance with their terms.

Following today's shareholder approval, and subject to the terms of the subscription agreement between the parties dated January 24, 2022, Greenwater has further agreed to purchase from Gowest up to an aggregate of 88,461,358 units of the Corporation (the "Units"), at an initial issue price of \$0.13 per Unit (the "Issue Price"), for an aggregate purchase price of up to \$11,500,000 (the "Unit Offering").

Each Unit issuable pursuant to the Offering will comprise one common share of the Company and one common share purchase warrant (a "Warrant"), with each Warrant being exercisable to purchase one additional common share of the Company for a period of two years following the receipt of shareholder approval, at a price of \$0.16 per Unit during the first 12-month period following the receipt of shareholder approval or at a price of \$0.17 per Unit during the second 12-month period following the receipt of shareholder approval.

Assuming the completion of the Offering in full, the Corporation will raise aggregate gross proceeds of \$19,000,000. Additional funds may be raised subsequently through the exercise of the Warrants issued pursuant to the Offering.

Subsequent to the completion of the Offering, Greenwater becomes a "Control Person" of the Corporation, in accordance with the applicable policies of the TSX-V.

Dan Gagnon, President and Chief Executive Officer of Gowest, commented, "On behalf of the rest of the management team, I'd like to thank both Greenwater and our shareholders for their support and recognition of the value of Bradshaw Gold Deposit and the rest of our assets. With these funds in hand, we are now able to move ahead with our plan to restart our mining activities at Bradshaw and accelerate the development of our promising gold portfolio."

He added, "I look forward to providing more detail on our progress in the coming weeks and months."
