Mike Stark stated: I'm pleased to inform our shareholders our Institutional fund has maintained his 9.9% buy taking part in the offering, we are pleased to see they have the same vision as management on our Philadelphia property.

Insiders of the Company purchased or acquired direction and control over a total of 80,000 Units under the Private Placement. The Company has relied on exemptions from the formal valuation and minority shareholder approval requirements of MI 61-101 contained in sections 5.5(a) and 5.7(1)(a) of MI 61-101 in respect of related party participation in the placement as neither the fair market value (as determined under MI 61-101) of the subject matter of, nor the fair market value of the consideration for, the transaction, insofar as it involved the related parties, exceeded 25% of the Company's market capitalization (as determined under MI 61-101).

The Company plans to use the proceeds of the private placement for further exploration of the Philadelphia Property in Mohave County, Arizona, the advancement of other Company projects, as well as for general working capital purposes.
