

Galantas Gold Enters Into Loan Agreement

13.02.2023 | [GlobeNewswire](#)

TORONTO, Feb. 13, 2023 - [Galantas Gold Corp.](#) (TSX-V & AIM: GAL; OTCQX: GALKF) ("Galantas" or the "Company") announces that it has entered into a loan agreement ("Loan Agreement") for £347,000 (approximately C\$562,930) (the "Loan") with London-based family office Melquart Ltd. ("Melquart" or the "Lender"). The Loan is to be used for the initial lease payment for the Gairloch Project in Scotland (see Galantas' news release dated January 26, 2023).

The Loan is payable 24 months from the date of the Loan Agreement and will bear interest at an annual rate of 12% payable upon repayment of the Loan.

As consideration for providing the Loan, Melquart will receive upon closing of the Loan Agreement, 100,000 warrants of Galantas (the "Bonus Warrants"), subject to acceptance by the TSX Venture Exchange. Each Bonus Warrant will be exercisable into one common share of Galantas for a period of 24 months from the Closing at an exercise price equal to the closing price of the Company's common shares on the TSX Venture Exchange on February 10, 2023.

The above terms are subject to TSX Venture Exchange approval under the TSXV Policy 5.1 - Loans, Loan Bonuses, Finder's Fees and Commissions.

Mario Stifano, CEO of Galantas, commented: "I want to thank Melquart for their continued confidence in Galantas, and their willingness to support us in our mission to unlock further value for shareholders by expanding our exploration footprint to the high-potential, Gairloch gold-bearing volcanogenic massive sulphide district in Scotland, that has largely been underexplored."

Melquart is deemed to be a related party of the Company by virtue of being a substantial shareholder as defined in the AIM Rules for Companies. As a consequence, the directors of the Company consider, having consulted with their Nominated Adviser, Grant Thornton UK LLP, that the terms of the Loan Agreement are fair and reasonable insofar as shareholders are concerned.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

The information contained within this announcement is deemed to constitute inside information as stipulated under the retained EU law version of the Market Abuse Regulation (EU) No. 596/2014 (the "UK MAR") which is part of UK law by virtue of the European Union (Withdrawal) Act 2018. The information is disclosed in accordance with the Company's obligations under Article 17 of the UK MAR. Upon the publication of this announcement, this inside information is now considered to be in the public domain.

About Galantas Gold Corporation

[Galantas Gold Corp.](#) is a Canadian public company that trades on the TSX Venture Exchange and the London Stock Exchange AIM market, both under the symbol GAL. It also trades on the OTCQX Exchange under the symbol GALKF. The Company's strategy is to create shareholder value by operating and expanding gold production and resources at the Omagh Project in Northern Ireland.

Forward-Looking Statements

This press release contains forward-looking statements within the meaning of the United States Private Securities Litigation Reform Act of 1995 and applicable Canadian securities laws, including the closing of the Loan, and the results of exploration programs, and mine development at the Omagh Gold Project. Forward-looking statements are based on estimates and assumptions made by Galantas in light of its experience and perception of historical trends, current conditions and expected future developments, as well as other factors that Galantas believes are appropriate in the circumstances. Many factors could cause Galantas' actual results, the performance or achievements to differ materially from those expressed or implied by the forward looking statements or strategy, including: gold price volatility; discrepancies between actual and estimated production, actual and estimated metallurgical recoveries and throughputs; mining operational risk, geological uncertainties; regulatory restrictions, including environmental regulatory restrictions and liability; risks of sovereign involvement; speculative nature of gold exploration; dilution; competition; loss of or availability of key employees; additional funding requirements; uncertainties regarding planning and other permitting issues; and defective title to mineral claims or property. These factors and others that could affect Galantas' forward-looking statements are discussed in greater detail in the section entitled "Risk Factors" in Galantas' Management Discussion & Analysis of the financial statements of Galantas and elsewhere in documents filed from time to time with the Canadian provincial securities regulators and other regulatory authorities. These factors should be considered carefully, and persons reviewing this press release should not place undue reliance on forward-looking statements. Galantas has no intention and undertakes no obligation to update or revise any forward-looking statements in this press release, except as required by law.
