The Company plans to use the net proceeds of the Brokered Offering and the Kinross Private Placement for the exploration and advancement of the Company's projects in Finland, which includes its Risti, Launi and other projects on its 100% owned land and its joint venture properties with B2Gold Corp. and Kinross Gold Corporation, as well as for general working capital purposes.

The closing of each of the Brokered Offering and the Kinross Private Placement is expected to occur on or about April 12, 2023 and is subject to certain conditions, including, but not limited to, the receipt of any necessary regulatory approvals, including the approval of the TSX Venture Exchange. All securities issued in connection with the Brokered Offering and the Kinross Private Placement will be subject to a hold period of four months and one day from the closing.
