Kai Hoffmann, Managing Director of Soar Financial Partners, remarked, "Following two virtual, and three in-person events, Deutsche Goldmesse has established itself as Germany's premier investment conference in the resource space. Being from Germany myself and working solely in the junior mining space for the last 12 years, I understand what German and European investors are looking for. This is why I have focused on bringing together a selective group of impressive and diverse companies, keynote speakers, mining influencers, HNW investors, asset and fund managers, media partners and more. I am excited to offer this boutique event once again, exclusive to the junior mining sector."

Defiance will also be participating at the 121 Mining Investment conference in London on May 9-10, as well as taking meetings with investors. We encourage any investors to reach out directly if they would like to meet with management.
