Vancouver, May 25, 2023 - [Scorpio Gold Corp.](#) (TSXV: SGN) ("Scorpio Gold" or the "Company") is pleased to announce that it has entered into a binding letter of intent dated May 18, 2023 (the "LOI") setting out the terms of a proposed arm's length acquisition (the "Transaction") by the Company of all of the issued and outstanding shares of Altus Gold Corp. ("Altus Gold"), a private mining issuer with two mineral exploration projects in Esmeralda County, Nevada referred to as the Northstar property (the "Northstar Project") and the historic Vanderbilt exploration project ("Vanderbilt Project"), both adjacent to Scorpio Gold's Mineral Ridge Mine ("Mineral Ridge"). If completed, the Transaction would consolidate the entire 12-mile ridge, resulting in total land package of 10,652 ha of mineral rights, and 931 ha of surface rights in the prolific Walker Lane mineral district.

"We are very excited to become involved in an advanced gold mining and exploration company in the world's number one mining jurisdiction for mining, as recently surveyed by the Fraser Institute¹. Scorpio's two strategic projects, both of which are past producing mines, have near-term production potential with robust economics in the context of the current gold price, alongside their considerable exploration upside," said Michael Townsend, CEO of Altus Gold.

"This acquisition will provide Scorpio the vehicle to consolidate the known Mineral Ridge exploration potential with the addition of the Northstar and Vanderbilt areas which could ultimately add additional resources to the Mineral Ridge portfolio. The acquisition will also provide the Company the opportunity to realign its management structure to best utilize its officers' talents for the future growth of the Company. I welcome Michael Townsend and the Altus team to Scorpio and look forward to working with them to provide additional growth opportunities for Scorpio Gold in the future," said Chris Zerga, CEO of Scorpio Gold.

Terms of Acquisition

Under the terms of the LOI, Scorpio Gold proposes to acquire all the outstanding shares of Altus Gold in exchange for issuing to the shareholders of Altus Gold 16,900,000 post-consolidated Scorpio Gold common shares, having an aggregate deemed value of \$3,802,500, based on a deemed value of \$0.225 per post-consolidated Scorpio Gold share. Immediately prior to the completion of the Transaction, Scorpio Gold will complete a 5:1 share consolidation, resulting in a total of 59,082,800 Scorpio common shares outstanding following the Transaction, but prior to the Concurrent Financing (as defined herein). The LOI also contemplates that, upon completion of the Transaction, the board of Scorpio Gold will be restructured to include up to three Altus Gold nominees and Michael Townsend, current CEO of Altus Gold, will be appointed Interim CEO of the combined entity, while Chris Zerga will become the Company's COO. The Definitive Agreement (defined herein) may contemplate payment of finder's fees to be paid in connection with the Transaction.

Concurrent Financing, Bridge Loan and Financial Information

Pursuant to the LOI, as a condition of closing of the Transaction, the Company will complete a concurrent financing of a minimum of CDN\$5,000,000 (the "Concurrent Financing"). Altus Gold has agreed to provide a non-interest bearing, secured bridge loan of \$500,000 to Scorpio Gold (the "Bridge Loan"), which will be forgiven upon closing of the Transaction. If the Transaction does not complete for any reason other than a breach by Altus Gold of an enforceable provision of the LOI or the Definitive Agreement, the Loan will be repayable on demand in accordance with its terms.

The following chart sets out selected financial information for Altus Gold:

	As at and for the year ended August 31, 2022 (unaudited)	As at and for the three months ended November 30, 2022 (unaudited)
Assets	\$53,578	\$77,299
Liabilities	\$26,203	\$26,254
Revenues	nil	nil
Net Profits	(\$2,013)	(\$1,330)

The LOI provides that it will, prior to closing of the transaction, be superseded, and replaced with a binding definitive agreement (the "Definitive Agreement") to be agreed to between the Company and Altus Gold. The Transaction is expected to constitute a reviewable acquisition, as defined under Policy 5.3 Acquisitions and Dispositions of Non-Cash Assets of the TSX Venture Exchange (the "Exchange") and, accordingly, completion of the Transaction is subject to the approval of the Exchange.
