Toronto, June 27, 2023 - [Purepoint Uranium Group Inc.](#) (TSXV: PTU) (OTCQB: PTUUF) ("Purepoint" or the "Company") today published its 2023 Portfolio Handbook providing a comprehensive review of each of its 10 exploration projects in Northern Saskatchewan, Canada.

In addition to providing an overview of Saskatchewan's uranium industry, the Handbook provides a detailed description of each of the projects, historic work performed to date, priority targets and next steps.

"Although our regular disclosures provide details of specific aspects of our projects as we advance them, we felt that it is important to provide additional context through a more complete picture of each project from our vantage point," said Scott Frostad, Purepoint's VP of Exploration. "We hope that investors will find this a useful supplement to our regular press releases and presentations."

The 2023 Portfolio Handbook can be found on the Company's website at <https://purepoint.ca/investor/portfolio-handbook/>.
