SASKATOON, Sept. 29, 2023 - [Wescan Goldfields Inc.](#) (TSXV: WGF) ("Wescan" or the "Company") is pleased to announce it has closed the first tranche (the "First Tranche") of its private placement of flow-through common shares in the capital of the Company (the "Flow-Through Shares") and units of the Company (the "Units"), which was previously announced on September 1, 2023 (the "Offering"). In addition, Wescan is pleased to announce that, due to investor demand, Wescan is increasing the number of Units offered pursuant to the Offering from up to 2,000,000 to up to 4,000,000, with the aggregate gross proceeds from the Unit component of the Offering increasing from up to \$100,000 to up to \$200,000.

The First Tranche consisted of the issuance of: (i) 600,000 Flow-Through Shares at a price of \$0.06 per Flow-Through Share and (ii) 2,600,000 Units at a price of \$0.05 per Unit, for aggregate gross proceeds of \$166,000. No Insiders participated in the First Tranche of the Offering.

As previously announced, each Unit consists of one common share in the capital of the Company (each, a "Common Share") and one Common Share purchase warrant of the Company (each, a "Warrant"). Each Warrant entitles the holder thereof to purchase one Common Share at an exercise price of \$0.06 for a period of twelve months from the date of issuance thereof.

All securities issued pursuant to the Offering are subject to a statutory hold period of four months and one day in accordance with applicable securities legislation and Exchange regulations.

Closing of the second tranche of the Offering (the "Second Tranche") is subject to receipt of the approval of the TSX Venture Exchange (the "Exchange"). The Second Tranche is expected to close on or about October 16, 2023, but no later than November 20, 2023.

The Company intends to use the proceeds from the Offering to incur Canadian exploration expenses on the Company's mineral properties (collectively, the "Qualifying Expenditures") and for general working capital purposes. Wescan will renounce the Qualifying Expenditures to subscribers of the Flow-Through Shares.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy securities in the United States or any other jurisdiction in which the offer, sale or solicitation would be unlawful. The offer and sale of the securities offered in the Offering have not been and will not be registered under the US Securities Act of 1933, as amended, or any state securities laws, and the securities may not be offered or sold in the United States absent registration or applicable exemption from such registration requirements.
