05.12.2023 | [The Newswire](#)

Financing Fully Allocated

Abitibi Metals Corp. (CSE:AMQ) (OTC:AMQFF) (FSE:4KG) ("Abitibi" or the "Company"), is pleased to announce that, due to overwhelming interest, the Company's non-brokered private placement previously announced on December 4, 2023 (the "Offering") has been upsized and is fully allocated. The Offering will now consist of up to 13,333,333 common shares of the Company at a price of C\$0.30 per share for up to total gross proceeds of up to C\$4,000,000.

The net proceeds of the Offering will be used to increase the size of its upcoming drill program at the high-grade B26 Polymetallic Copper Deposit and the Beschefer Gold Project, both situated just 7 kilometers apart within the mineral-rich Abitibi Greenstone Belt, and for general and administration expenses including potential awareness initiatives.

The securities issued in connection with the Offering are subject to the Company's filing requirements with the Canadian Securities Exchange, and all securities will be subject to a four-month statutory hold period after closing. Finder's fees in cash or securities may be paid on gross proceeds of the financing, as permitted by securities laws.
