Cautionary Statement Regarding Forward-Looking Statements

This news release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements are subject to risks, uncertainties and assumptions and are identified by words such as "developing," "updates," "plans," "progress," and other similar words. Forward-looking statements include, among other things, statements concerning: the construction of the Kellyton Graphite Plant, the Coosa graphite deposit, and the costs, schedules, production and economic projections associated with both of them. The reader is cautioned not to put undue reliance on forward-looking information, which is not a guarantee of future performance and is subject to a number of uncertainties and other factors, many of which are outside the control of the Company and discussed in Westwater's Annual Report on Form 10-K for the year ended December 31, 2023, and subsequent securities filings.
