

Generation Uranium Inc. Announces DTC Eligibility

13.08.2024 | [The Newswire](#)

[Generation Uranium Inc.](#) (the "Company" or "Generation") (TSXV: GEN) (OTCQB: GENRF) (FSE: W85) is pleased to announce that its common shares, quoted under the symbol "GENRF" on the OTCQB stock exchange, are now eligible for electronic clearing and settlement in the United States through the Depository Trust Company ("DTC"). DTC eligibility is expected to simplify the process of trading and enhance liquidity of Generation shares in the United States.

The DTC is a subsidiary of the Depository Trust & Clearing Corporation, a U.S.-based entity responsible for the electronic clearing and settlement of publicly traded companies. Securities eligible for electronic clearance and settlement through the DTC are designated as "DTC eligible." This electronic clearing method expedites the receipt of stock and cash, thereby accelerating the settlement process for investors and brokers.

"We are pleased to have received DTC eligibility alongside our existing OTCQB listing, both of which support our goal of enhancing visibility and equity liquidity for our U.S.-based shareholders," said CEO Anthony Zelen. "We anticipate trading of our stock will be made more efficient, rapid, and cost-effective for a broader range of investors."
