About The Microcap Conference 2025

The Microcap Conference is the largest independent microcap event in the U.S., bringing together top-tier investors and executives from microcap companies. The event offers a platform for companies to showcase their value propositions through presentations, one-on-one meetings, and networking opportunities.

The 2025 event will feature:

- Keynote Speakers: Renowned industry figures, including Jon Ledecy, Co-Owner of the New York Islanders, who will engage in a fireside chat with CNBC's Bob Pisani; plus Tom Gardner, CEO of Motley Fool, who will share insights on investing, market trends, and entrepreneurial success.
- Expert Panels and Presentations: Financial commentators Ron Insana (CNBC) and Charlie Gasparino (FOX Business) will cover critical topics for the US equity markets, from capital formation to regulatory updates and market trends.
- Entertainment Headliner: A special performance by Tom Papa, celebrated comedian and host of Netflix specials, ensuring a memorable evening for attendees.

Hosted by DealFlow Events, The Microcap Conference is renowned for its blend of high-quality content, engaging networking, and exceptional entertainment. For more information, visit <https://themicrocapconference.com>.

About Ecora

Ecora Resources is a leading royalty company focused on supporting the supply of commodities essential to creating a sustainable future.

Our vision is to be globally recognised as the royalty company of choice synonymous with commodities that support a sustainable future by continuing to grow and diversify our royalty portfolio in line with our strategy. We will achieve this through building a diversified portfolio of scale over high quality assets that drives low volatility earnings growth and shareholder returns.

Ecora is at the start of a five-year growth period with a number of mining projects in its royalty portfolio expected to start production that should underpin income growth of over 50% by the end of the decade.
