Baru Gold Corp Announces Revocation of MCTO

25.02.2025 | The Newswire

Baru Gold Corp. (the "Company") is pleased to announce that effective February 24, 2025, the British Columbia Securities Commission ("BCSC") has revoked the temporary management cease trade order (the "MCTO") which prevented the Company's Officers, Board and Insiders from trading in the Company's securities but did not affect the ability of other shareholders, including the public, to trade in the securities of the Company.

The Company confirms that it has completed the filing of the quarterly financial statements for the three months ended November 30, 2024, along with the management's discussion and analysis and related CEO and CFO certificates (the "2025 Q1 Filings") for the period, which were required to be filed on or before January 29, 2025.

The Company filed the 2025 Q1 Filings and the BCSC's Executive Director has revoked the MCTO. The Company confirms that since the date of the Default Announcement, other than as described above: (a) there has been no material change to the information set out in the Default Announcement that has not been generally disclosed; (b) there has been no failure by the Company in fulfilling its stated intentions with respect to satisfying the provisions of the alternative information guidelines set out in NP 12-203; (c) there has not been, nor is there anticipated to be, any specified default subsequent to the default which is the subject of the Default Announcement; and (d) there is no other material information concerning the affairs of the Company that has not been generally disclosed.

On behalf of the Board of Directors

Certain statements in this News Release, which are not historical in nature, constitute "forward looking statements" within the meaning of that phrase under applicable Canadian securities law. These statements include, but are not limited to, statements or information concerning future work programs, results and timing of any work programs, the Company's performance or events as of the date hereof. These statements reflect management's current assumptions and expectations and by their nature are subject to certain underlying assumptions, known and unknown risks and uncertainties and other factors which may cause actual results, performance or events to be materially different from those expressed or implied by such forward looking statements. Those risks include the interpretation of drill results; the geology, grade and continuity of mineral deposits; the possibility that future exploration, development or mining results will not be consistent with our expectations; commodity and currency price fluctuation; failure to obtain adequate financing; regulatory, recovery rates, refinery costs, and other relevant conversion factors, permitting and licensing risks; general market and mining exploration risks and production and economic risks related to design and engineering, manufacturing, technological processes and test procedures and the risk that the project's output will not be salable at a price that will cover the project's operating and maintenance costs. Forward-looking statements should not be construed as investment advice. Readers should perform a detailed, independent investigation and analysis of the Company and are encouraged to seek independent professional advice before making any investment decision. Accordingly, readers should not place undue reliance on any forward-looking statement. Except as required by applicable securities laws, the Company disclaims any obligation to update or revise any forward looking statements to reflect events or changes in circumstances that occur after the date hereof.
