# First Nordic Metals to Commence Trading on Nasdaq First North Growth Market in Sweden

20.03.2025 | CNW

First Nordic Metals Corp. (the "Company" or "FNM") (TSXV: FNM) (OTCQB: FNMCF) (Germany: HEG0) is pleased to announce that the Company has received final approval for the listing of its Swedish depository receipts ("SDRs"), a financial instrument issued by a Swedish bank representing shares in a non-Swedish company, on Nasdaq First North Growth Market ("Nasdaq First North") in Sweden. The Company's SDRs will commence trading on Nasdaq First North at market open (Sweden local time) on March 21, 2025, under the symbol "FNMC SDB" with the ISIN SE0023847785.

A Company Description was prepared in connection with the application for the admission of the SDRs to Nasdaq First North. The Company Description has been approved by Nasdaq Stockholm and is available on FNM's website.

Nasdaq First North is a natural choice for FNM's secondary listing, aligning with the Company's strategic focus on expanding its presence in Sweden. With key assets in the country, including the Barsele Project in joint venture with Agnico Eagle Mines Ltd., the secondary listing enables Swedish investors to participate in the FNM's growth more directly and it increases the Company's exposure to analysts, institutional investors, and other stakeholders in the region.
