

Pinnacle Silver and Gold Corp. Increases Non-Brokered Private Placement

25.07.2025 | [The Newswire](#)

[Pinnacle Silver and Gold Corp.](#) ("Pinnacle" or the "Company") is pleased to announce that, due to strong investor demand, it is increasing its non-brokered private placement announced on July 14, 2025 to now raise gross proceeds of up to \$1,650,000 (the "Offering"). The Offering will now consist of up to 27,500,000 units (the "Units") with each Unit, priced at \$0.06, comprising one common share ("Share") in the capital of the Company and one-half share purchase warrant ("Warrant"). Each whole Warrant shall be convertible into an additional Share at an exercise price of \$0.10 for a period of 24 months from the date of issuance. Finder's fees consisting of 7 per cent in cash commission and 7 per cent in non-transferable finders' warrants may be paid in connection with the offering. Each finder's warrant entitles the holder to acquire one common share at \$0.10 cents per share over a 24-month period.

The net proceeds raised from the Offering will be used to advance the high-grade El Potrero gold-silver project in Durango, Mexico, and for general working capital.

All securities to be issued will be subject to a four-month hold period from the date of issuance and subject to TSX Venture Exchange approval. The securities offered have not been registered under the United States Securities Act of 1933, as amended, and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements.

About Pinnacle Silver and Gold Corp.

Pinnacle is focused on district-scale exploration for precious metals in the Americas. The high-grade Potrero gold-silver project in Mexico's Sierra Madre Belt hosts an underexplored low-sulphidation epithermal vein system and provides the potential for near-term production. In the prolific Red Lake District of northwestern Ontario, the Company owns a 100% interest in the past-producing, high-grade Argosy Gold Mine and the adjacent North Birch Project with an eight-kilometre-long target horizon. With a seasoned, highly successful management team and quality projects, Pinnacle Silver and Gold is committed to building long-term, sustainable value for shareholders.
