13.08.2025 | [GlobeNewswire](#)

[Terra Balcanica Resources Corp.](#) ("Terra" or the "Company") (CSE:TERA; FRA:UB1) is pleased to announce the closing of the second and final tranche of its non-brokered, listed issuer financing exemption private placement (the "Private Placement" or "Offering") for gross proceeds of C\$302,581 through the issuance of 3,025,809 units (each a "Unit") at a purchase price of C\$0.10 per Unit. Each Unit is comprised of one common share in the capital of the Company ("Common Share") and one-half of one Common Share purchase warrant (each whole warrant, a "Warrant"). Each Warrant is exercisable to purchase one Common Share ("Warrant Share") at an exercise price of C\$0.20 per Warrant Share for a period of 24 months from the closing date of the Private Placement or its respective tranches (the "Closing Date"). In connection with the final tranche of the Offering, finders' fees in the amount of C\$7,000 were paid and 70,000 non-transferable finder's warrants (each, a "Finder's Warrant") were issued to arm's length finders. Each Finder's Warrant is exercisable for one Common Share at an exercise price of C\$0.20 per Common Share for a period of 24 months from the Closing Date. The Company closed an initial tranche of the Offering on July 11, 2025 in the amount of 8,149,141 Units for gross proceeds of C\$814,914, as described in the Company's press release dated July 11, 2025. The Company has thus closed on the maximum offering amount of C\$1,117,495.

Aleksandar Mišćević, President and CEO of the Company commented: "We are very pleased to have raised the full allowable LIFE amount as interest for the offering kept growing by the week. The Phase III drill campaign at Viogor-Zanik in Bosnia is now fully funded and commences imminently. I am on the site to personally oversee the rig turning at Brezani while Terra's team is excited for a robust news release stream to come in the days ahead."

Kim Oishi, Director of the Company (the "Insider"), purchased 25,809 Units as part of the final tranche of the Offering. The issuance of the Units to the Insider constitutes a "related party transaction" as this term is defined in Multilateral Instrument 61-101 - Protection of Minority Securityholders in Special Transactions ("MI 61-101"). There has not been a material change in the percentage of the outstanding securities of the Company that are owned by the Insider as a result of his participation in the Offering. The Company is relying on the exemption from the valuation requirement and minority approval requirement pursuant to subsection 5.5(a) and 5.7(1)(a) of MI 61-101, respectively, as the fair market value of the Insider participation does not represent more than 25% of the Company's market capitalization, as determined in accordance with MI 61-101. The participation by the Insider in the Offering was approved by directors of the Company who are independent in connection with this transaction. No materially contrary view or abstention was expressed or made by any director of the Company in relation thereto.

The Private Placement was conducted pursuant to the listed issuer financing exemption under Part 5A of National Instrument 45-106 - Prospectus Exemptions. The securities issued to purchasers in the Private Placement are not subject to a hold period under applicable Canadian securities laws. The Finder's Warrant issued to finders in connection with the final tranche of the Offering, and the Common Shares issuable on exercise thereof, are subject to a hold period expiring on December 14, 2025 in accordance with applicable Canadian securities laws.

This news release does not constitute an offer to sell, or a solicitation of an offer to buy, any of the securities in the United States. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act") or any state securities laws and may not be offered or sold within the United States or to U.S. Persons unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.
