A video of Hecla's Closing Bell® ceremony will be available at www.nyse.com/bell on Monday, January 26. Founded in 1891, Hecla Mining Company is the oldest U.S.-based mining company listed on the NYSE.

"Achieving 135 years of mining operations is a reflection of Hecla's persistence in improving operational performance and our ability to work through challenging times. The transformational year of 2025 exemplified this resilience, positioning us as the premier silver company, while delivering disciplined capital allocation and meaningful debt reduction. We now have the brightest outlook in our history and are positioned to surface value for shareholders while remaining steadfastly committed to our silver-focused strategy. I thank the entire Hecla team, both past and present, and all our stakeholders who have helped us reach this milestone and build the foundation for accelerated value creation ahead," said Rob Krcmarov, President and CEO.
